re: *Donald J. Trump for President, Inc. et al. v. Philip D. Murphy et al.*
Docket No. 3:20-cv-10753-MAS-ZNQ

Dear Judge Shipp:

Please accept this submission in lieu of a more formal reply to Plaintiffs' October 28, 2020 motion response and Proposed Intervenor (Defendant) DCCC's submission of August 31, 2020.

Suffice to say, the issues presented to the Court in this matter are of particular import—perhaps even of the greatest importance—as voting is the bedrock of a participatory democracy. And no sub-category in this collection ranks higher than a Presidential Election.

What matters here is not the method of transmission but the conveyance of ideas.

As noted in the DCCC's most recent submission, the DCCC and the Atlantic County Democratic Committee are coming from opposite ends of the organizational spectrum. The path may be the same but the view is different.

Accordingly, Proposed Intervenor Atlantic County Democratic Committee leaves Plaintiffs' request for a joint submission in the sound discretion of the Court.

Respectfully submitted,

s/RDH
